MISSION STATEMENT:

The USS Freedom (NCC-71817), a Galaxy Class Exploration Cruiser, is a correspondence chapter of STARFLEET International. The USS Freedom has a proud crew and a distinguished history that spans over the past thirty years. It was formed to help Star Trek fans who can not or do not want to attend meetings but still want to enjoy the friendship of other fans. This is accomplished by working on projects and staying in touch with members through correspondence (email, newsletter, social media, etc.).

00-30935

ABOUT THE USS FREEDOM

00-30913

Members of the USS Freedom must first join STARFLEET, and then the USS Freedom. More information can be found in the Command department section of this manual.

00-30238

The USS Freedom is designed for the STARFLEET member who can not or does not want to attend meetings. We have members from all over the world, and try to stay in contact with them through the newsletter (THE LIBERTY), e-mail, and social media.

05-15443

Like most other STARFLEET chapters, the USS Freedom members hold ranks, and promotions are granted based on a points system which demonstrates how a member is active in the chapter, Region, Fleet, and in their own community. Members of the USS Freedom may be as active or inactive as they choose. If a member only wants to sit back and read the newsletter, that's fine.

02-1243

If a member wants to get involved there are many ways to do so: writing for the USS Freedom, Regional, and Fleet publications; artwork for these publications; writing letters; working on projects such as ship's blueprints, care packages to deployed soldiers, etc.; recruiting; recycling stamps, cans, etc.; building models; or anything you can think of that your Department Chief, First Officer, and Captain approve.

I hope you enjoy your tour of duty on the USS Freedom and if I can be of assistance, please feel free to contact me at command@uss-freedom.org.

MEMBERSHIP TYPES

The USS Freedom offers different types of membership statuses to meet the needs of the individual crewmembers. Therefore the chapter has three types of memberships. They are Active Duty, Reserve Duty and Honorary. Each are discussed below.

Active Duty Membership

00-70578

The Active Duty membership is designed for those members who want to be active within the chapter, who participate in the online chats/meetings regularly, and wish to hold positions and rank.

00-70317

Reserve Duty Membership

00-36672

The Reserve Duty Membership is designed for those members who want full membership benefits but are not able to participate as much due to time restraints, internet availability, or distance from the chapter. These members are the same as Active Duty, except they are unable to hold leadership positions

Honorary Membership

The Honorary Membership is designed to recognize individuals for outstanding performance and duty. The Commanding Officers of the chapter who successfully complete a term are awarded an honorary membership with a majority vote of the Command Staff. Others such as Movie/TV Stars, Local Leaders, and even other STARFLEET members may be given this type of membership.

MEMBERSHIP DUES

LCARS - 29

Due to the STARFLEET membership requirement, the USS Freedom has gone all electronic membership, which has reduced costs and allows the chapter to have no chapter level dues or fee.

Crewmembers receive all publications and membership materials in electronic format (pdf). Any additional items are paid for on an item by item basis such as awards, rank insignia etc..

The standard membership package includes the following; Membership ID Card, Membership Certificate, all Promotion Certificates as earned, Award Certificates as earned, Membership Handbook and a one year subscription to our bimonthly newsletter "THE LIBERTY".

00-30835

MEMBERSHIP RIGHTS AND RESPONSIBILITIES

00-30813

As a paid member of the USS Freedom, you are guaranteed certain, inalienable, rights of membership. Much of this is common sense for members of any chapter of STARFLEET; however, this section of the handbook seeks to at least list your most basic rights as a member of the USS Freedom. These include, but are not limited to:

00-30238

- Right to receive a new or renewing membership packet and all its contents per annual membership.

SHIP NEWSLETTER

The official newsletter of the USS Freedom is the "*THE LIBERTY*". It is published on a bi-monthly basis with 1-3 special issues. Submissions must be made no later than the submission date posted on the previous newsletter or a notice issued by the Chief of Communications or Commanding Officer. Any articles must be neatly written or typed. Remember that this newsletter is made up of what you the member submits.

In addition to the newsletter, a Captain's Log section on the chapters official website will list the chapter monthly status reports, the Marine Strike Group bi-monthly reports and the MACO unit monthly reports. The site will also provide a calendar and listing of chapter activities for that particular month and upcoming events for the next month, as well as birthdays for chapter members and for actors who appeared on any of the Star Trek TV/Movies. The chapter website is located at <http://www.uss-freedom.org>.

LCARS - 29

POSITIONS AND RANK

All members of the USS Freedom are encouraged to take part in local, regional, and Fleet activities. As individuals become involved and active in the organization, STARFLEET encourages its chapters to recognize that involvement and dedication through rank promotions. Likewise, once a member advances to the rank of Commander, The Regional Coordinator may grant promotions to Captain, and the STARFLEET Executive Committee may grant promotion of Captain and within the Flag ranks (Fleet Captain and higher) for service at the Chapter, Regional and Fleet levels.

00-38835

00-38813

The simplest way for a member to receive a promotion is to take and pass the Officer Training School exam from STARFLEET Academy. Once passed, OTS accords a member the promotion to the officer grade of Ensign, a rank which that member is granted through the remainder of his/her STARFLEET career, unless they continue to be promoted. No one, except the EC, can relieve any individual of a rank that has been granted by the EC including an officer commission from OTS to the rank of Ensign and Field Grade or Flag Rank promotions above the rank of Commander.

00-38238

05-1543

02-1243

The Commanding Officer is responsible for all promotions (enlisted and commissioned) within the chapter. The system used on the USS Freedom is the point system to quantifiably allow members to progress through the ranks to Lieutenant. For promotions to Lieutenant Commander and Commander, the USS Freedom uses the promotion point system and a promotion review board.

00-715718

Promotions beyond the rank of Commander are granted only by the Regional Coordinator (Captain only) or the STARFLEET Executive Committee. Flag Promotion forms are available from STARFLEET Headquarters and should be returned when completed. Once again, ranks conferred by the EC may be taken away only by the EC.

00-710117

00-36672

Rank and promotions are intended to recognize members that become involved in the organization, as well as those accorded higher responsibility within the organization, and should not be used to the detriment of any member. STARFLEET and the USS Freedom ranks are honorary and carry no "real world" weight to them. No matter how high in rank, no member has the right to violate another member's rights, civil, USS Freedom or STARFLEET. Individuals, such as Department Chiefs and other Command Staff Officers, may be accorded a certain amount of responsibility within the organization in order to provide them a means to effectively administrate. That responsibility is granted only on the condition that it is responsibly utilized, and that in performing those responsibilities the member adheres to USS Freedom and STARFLEET policies and guidelines. Compliance with any USS Freedom or STARFLEET policy or guideline is never forced upon anyone, but those that use their delegated authority outside the bounds of the USS Freedom or STARFLEET policies may be relieved of their duties. The most important thing to remember in disputes over rank and authority is that this organization is primarily here for fun. This is all very much make-believe, and it's not going to appear on anyone's resume.

NOTE: See Regulation 100 for more information about promotions on the USS Freedom and Appendix B: Rank & Insignia in the Appendix section for rank insignia diagrams.

LCARS - 29

STARFLEET

STARFLEET Is Our Members

00-368135

00-368135

For over 35 years, STARFLEET has provided Star Trek fans a way to meet each other, make friends, have fun, give back to their communities, and show that the dream of Gene Roddenberry can live long and prosper. On the local level, members can gather with other fans for a variety of enjoyable activities. On the international level, STARFLEET offers our members a wealth of resources that you won't find in any other Star Trek fan clubs. In addition to a great set of membership materials and our regularly-published newsletter, STARFLEET offers members the chance to get involved with STARFLEET Academy, the STARFLEET Marine Corps, the Department of Technical Services, and much, much more. We even have a group of academic monetary scholarships that are awarded to deserving STARFLEET members each year.

00-368138

STARFLEET Is Our Chapters

STARFLEET is divided into hundreds of local Chapters, each named as a different starship or space station. Chapters are where the members of STARFLEET get together locally to make friends, meet, and have a fun time. Our many Chapters are spread out across the United States and also in foreign countries all over the world.

05-1543

STARFLEET Chapters range in size from 10 members to several dozen. Some get together and meet in person while others are correspondence Chapters where members who live far away from each other can still exchange messages via e-mail and social media.

02-1243

STARFLEET Is Our Regions

STARFLEET Chapters are grouped into Regions, each Region covering a different geographical area. These regions will often hold gatherings where crews of many Chapters get together for conferences, parties, charity events, and a whole range of other activities.

STARFLEET has a Chain of Command

Each Chapter is led by a Commanding Officer and a First Officer. Chapters report to Regional Coordinators, who form the Board of Directors for STARFLEET and work with an elected 7-member Executive Committee that serves a term of 3 years. So there is a solid chain of command in place to deal with any problem or concern a STARFLEET member might have at any level of the organization.

One of the most fun aspects of being in STARFLEET is that every member can be assigned a rank—if the member chooses—and get promoted for participation in their local Chapter, or at the Regional or Fleet level, as well. New members in Chapters can start with introductory ranks like Cadet and Ensign and get promoted up through higher ranks like Lieutenant and Commander. When members get involved more actively at the Chapter, Regional, or Fleet level, they can get promoted even higher to Captain, or to flag ranks like Commodore or Admiral.

Of course, you can be a member of STARFLEET without joining a Chapter. You can also be a member of a Chapter without joining STARFLEET. And since some Chapters have membership dues that are separate from the STARFLEET annual subscription, some fans do decide to join either one organization or the other...and that's just fine.

As a non-profit corporation, STARFLEET strives to keep our annual membership dues as low as possible while still delivering quality membership materials and a positive membership experience for all.

To help make things affordable, we now only offer an electronic membership:

Membership includes a digital membership packet, along with the online edition of our quarterly newsletter, the STARFLEET Communique.

REGULATION 100 PROMOTION SYSTEM

02-1243

REGULATION 100

PROMOTION SYSTEM

PURPOSE

The purpose of this regulation is to establish the promotion policies and procedures for all crewmembers, STARFLEET Marines and STARFLEET Special Operations (MACO, RANGERS, SEALS, RECON and IN-TEL) of the USS Freedom. As established in both the STARFLEET Constitution and the USS Freedom Constitution, the Commanding Officer has the authority to promote any of his/her crew up to the rank of Commander. While the Commanding Officer has the authority to promote any of his/her crew as he pleases, The USS Freedom uses three ways of promoting a crewmember. They are; The Promotion Point System, Promotion Review Board, and then the Commanders Promotion. The Promotion Point System is the PRIMARY procedure for promotion and requires the following:

- 1) Completing the minimum time requirement of six months minimum since last promotion.
- 2) Earning the required number of promotion points for the prescribed rank.
- 3) Only personnel who are maintaining membership requirements will be eligible for promotion.

RANK STRUCTURE

The USS Freedom uses three rank styles which include the PIP Ranks as seen in Star Trek: Voyager , the STARFLEET Marine Corps and the STARFLEET Special Operations-MACO.

In the SFMC use a rank structure very similar to the 20th century United States Marine Corps and United States Army. This is done for two important reasons. First, it allows us to use some commercially available rank insignia with only slight modifications necessary to make it distinctly ours. Second, it is easily understood by anyone with even a little military experience. Our system also nicely correlates with the system already used by SFI. (For more information please see Appendix B. for more information.)

The USS Freedom groups its ranks into categories. These are; Crewman Ranks, Cadet Ranks, Enlisted Ranks, Officer Ranks and Flag Officer Ranks. Each are described below in further detail.

Junior Cadet:

Junior Cadet Ranks are designed for the junior members of the chapter, starting at birth thru the 8th grade. These ranks are automatic at time of qualification for that rank. The ranks and requirements are as follows:

In the 4th grade thru the 8th Grade

Senior Cadet:

Cadet Ranks are designed for the adolescent members from the High School level of 9th Grade thru 12th Grade. These ranks are automatic at time of qualification for that rank. The ranks and requirements are as follows:

Warrant Officers

00-715717

From their history in the real world militaries of the 20th century, the Warrant Officer (WO) has a place within the SFMC and MACOs. The Warrant Officers serve in those fields and billets that are too specialized in scope for unrestricted officers and billets that require a Marine/MACO in a grade above staff noncommissioned officers. Warrant officers are, in essence, the technical specialists of the SFMC/MACO and serve to fill in holes that would normally require an officer to cover, thus freeing the officer for more essential tasks such as base, unit or department administration.

00-36672

Warrant Officers are accessed exclusively from the Marine Corps/MACO enlisted ranks and are considered enlisted personnel for purposes of annual awards and promotions. The Warrant Officer grades are as follows:

Marine Rank

Warrant Officer (WO)
 Chief Warrant Officer Two (CWO-2)
 Chief Warrant Officer Three (CWO-3)
 Chief Warrant Officer Four (CWO-4)
 Chief Warrant Officer Five (CWO-5)

Requirements

Appointed, must have held the minimum rank of Sergeant
 Earn 150 promotion points, complete all NCO below 301
 Earn 250 promotion points, complete NCO-301
 Earn 250 promotion points, complete LD-100, and PD-201
 Earn 350 promotion points, complete LD-201

MACO Rank

Warrant Officer (WO)
 Chief Warrant Officer Two (CWO-2)
 Chief Warrant Officer Three (CWO-3)
 Chief Warrant Officer Four (CWO-4)
 Chief Warrant Officer Five (CWO-5)

Requirements

Appointed, must have held the minimum rank of Sergeant
 Earn 150 promotion points, complete WWSO 108-119
 Earn 250 promotion points, complete SO 101-110
 Earn 250 promotion points, complete NCO 201, LD-101
 Earn 350 promotion points, complete NCO-301, LD-201

It is intended that those selected for Warrant Officer demonstrate advanced knowledge of the SFMC/MACO, and leadership abilities in their chosen career field.

Officer:

In a similar fashion, the officer ranks are separated into 11 grades (O1 to O11). From lowest to highest, they are Ensign (ENS)/Second Lieutenant (2LT), Lieutenant junior Grade (LTJG)/First Lieutenant (1LT), Lieutenant (LT)/Captain (MCPT), Lieutenant Commander (LCDR)/Major (MAJ), Commander (CDR)/Lieutenant Colonel (LTC), Captain (CPT)/Colonel (COL), Fleet Captain (FCPT)/Brigadier (BDR), Commodore (COM)/Brigadier General (BGN), Rear Admiral (RADM)/Major General (MGN), Vice Admiral (VADM)/Lieutenant General (LGN) and Admiral (ADM)/General (GEN). There is no equivalent to STARFLEET's rank of Fleet Admiral, as that rank indicates the individual who is elected President of SFI.

No one person on the USS Freedom can be promoted from one rank to the next without waiting a minimum of 6 months in-between each said promotion. This is excluding the Commanding Officer and Executive Officer when assuming those duties or when promoted to Ensign from completion of OTS.

Promotion Point System

This system is used as the primary form for promotions. Many of the promotions require points to become eligible for that particular promotion. When a member feels they are qualified for that promotion to the next rank, they will see their Department Chief to file the proper promotion recommendation form.

00-38835

When calculating your promotion points, the required points needed for promotion must be used within at least 5 of the categories.

00-38813

Promotion Review Board

00-38238

For the ranks of Lieutenant Commander and Commander, the individual up for promotion will have their records reviewed by the Promotion Board. 3-4 members serve as members of the Promotion Board which will submit all promotion recommendations back to the Commanding Officer/First Officer by a predetermined date during that quarter.

05-1543

The board will consist of the First Officer who will serve as the board President during one quarter and the Commanding Officer who will serve as Board President during the following quarter. They will continue to flip-flop throughout the calendar year. The board will also consist of three (3) members which will be tasked to three different Department Chiefs during each promotion cycle (quarter). If one member is not present then

02-1243

Commanders Promotion

As authorized by both the STARFLEET Constitution and the USS Freedom Constitution, the Commanding Officer reserves the right to promote any crewmember of the USS Freedom. While this is reserved by the Commanding Officer, each promotion will be handled on a case by case situation.

00-71517

00-36672

Promotions Due to Appointments

Under Regulation 600, Article IX: COMMAND STAFF, Section 3 thru 15, any crewmember who is promoted to a Command Staff Position or to a position in which a promotion is required, the crewmember must meet ALL the qualifications for that position with the prescribed time allowed and hold that position for a minimum of 12 consecutive months. If any of the above situations are not met, then the crewmember will revert back to their original rank prior to the appointment. If another promotion had taken place after the appointment, then the crewmember will revert back to their original rank and then be promoted to the next higher prescribed rank.

Rank Assessments Due To Transfers

The policy of the USS Freedom is to accept any rank that a member may have within STARFLEET upon transfer to the USS Freedom. If the new member is transferring from another organization into STARFLEET and holds the rank under Captain, then the individuals rank will be recognized. If the rank is Captain or above, then the Executive Committee must determine the status of said rank.

STARFLEET, REGIONAL AND CHAPTER AWARDS

Purpose

This regulation briefly covers the policy for the STARFLEET, Region 1 and the USS Freedom Awards Program. The awards take after the ribbon version as seen in the classic movies. This regulation briefly outlines the award its criteria. For more information on this program, please refer to the Manual. Each award that STARFLEET has have special significance, representing significant accomplishments during your enlistment in STARFLEET or tour of duty aboard the USS Freedom. They should be worn with pride.

00-78578

Proper Wear

00-78317

Awards should be worn on the USS Freedom duty uniform or on the Star Trek uniform at all Ship functions. They are worn on the left side of the duty shirt and are placed in order of precedence, with the highest awards placed on the bottom of the horizontal ribbon bar configuration (see diagram on page 38).

00-36672

Who Can Recommend STARFLEET Awards

Listed in precedence, the following are the only STARFLEET personnel who can recommend STARFLEET Awards (hereafter known as "Recommending Officers" (RO)), and the members and units they can recommend.

STARFLEET EXECUTIVE COMMITTEE

All Members and Units of STARFLEET

STARFLEET CHIEF OF OPERATIONS

Starships Departments, Shuttles, Regions and Departments, Fleet Commanders, Commanding Officers

REGION COORDINATORS (FLEET COMMANDERS)

Starships, Shuttles, Departments, Region Staff and Departments, Commanding Officers and Members

LCARS-29

REGION DEPARTMENT CHIEF (As Applicable)

Region Department Staff, Starship Departments, Department Chiefs, Department Crewmembers

COMMANDING OFFICER

Department Chiefs, Departments, Shuttles, Crewmembers

STARSHIP DEPARTMENT CHIEF

Department Crewmembers

00-30935

00-30913

In the instance where the RO's should be considered for STARFLEET awards, the ROs Executive Officer, deputy, or designated assistant can make the recommendation to the ROs superior.

00-30238

Persons who are NOT members of STARFLEET, but have helped, aided or benefited STARFLEET in some way, can be recommended for a STARFLEET award as appropriate and applicable.

STARFLEET wants to show appreciation and acknowledgement to those outside the organization Who believe in what STARFLEET is about and wants to help in some way!

How To Determine If An Award Is Warranted

Before recommending an award, the RO must first be absolutely certain that the award is warranted in the first place. Awards must not be recommended for a member or unit that simply performs their duty as ex-

05-15443

Usually, if you have to ask yourself if the award is warranted, then it probably isn't.

Typically, a member/unit has made a significant accomplishment or achievement; or has performed their duty with above average zeal and diligence. This is what should be noted and considered.

00-78578

There are two back-ups built into the recommendation process. When a recommendation is made, it must be approved by the RO's superior. He/she can overrule a recommendation if felt that the award is not warranted.

00-78317

The second back-up is the Chapter/Region/STARFLEET Awards Committee (hereafter known as "SFAC/RAC/CAC"). The SFAC/RAC/CAC may also determine that an award is not warranted (however, this should be a rare instance). Another way an RO can determine a warranted award is to seek out the opinion of his/her First Officer, deputy, or (as applicable) staff "review board". They can help to give the RO objective views that will help in deciding an award recommendation.

00-36672

It is absolutely important that RO's carefully and seriously consider award recommendations. Carefully read the criteria for each award. That will help determine the appropriate award. If the award criteria doesn't seem to apply, then an award is not warranted.

Procedures For Recommending Awards

The Chief Operations Officer maintains the Awards Recommendation Forms that will be used when recommending STARFLEET/Region/Chapter awards. Fill out the appropriate form to make an award recommendation. Fill out a form for each award recommended and please type or print clearly. Illegible forms will cause a delay in processing.

LCARS-29

A STARFLEET unit is a starship, shuttle, or facility; a department, office or service made up of two or more STARFLEET members and/or associates. Said units must be officially recognized by STARFLEET to be considered for STARFLEET awards.

00-38835

After reading the criteria for the awards and having determined that the award or awards is warranted fill out the appropriate forms and send them with a self-addressed stamped envelope (SASE) to your immediate supervisor, who will approve or not approve your recommendation. If not approved, it will be sent back with an explanation as to why it was not. If the RO still feels that the award is warranted, he/she may appeal to the Director, SFAC, RAC or CAC. The appeal will be considered and the appropriate awards committee will render a decision, which will be final. If not approved, the RO will be notified. If approved, the RP will be notified so that the appropriate fees can be sent.

00-38813

00-38238

If the award recommendation is approved by the RO's superior, the RO then submits the form (s) with the correct fees.

STARFLEET Award Certificates (SAC)/Region Award Certificates (RAC)/Chapter Award Certificates (CAC) and Award Ribbons are available for award recipient.

05-1543

REGULATION 300 PROPOSAL PROCEDURES

PROPOSALS**Purpose**

This regulation covers the policy for submitting proposals to the ship for implementation by paid members. Each proposal must satisfy three basic criteria: Cost, Manpower, and Feasibility. Of course the idea must benefit the chapter and not break any ship or STARFLEET regulation.

Cost

First and foremost of any idea for the USS Freedom is the cost of the project. It has been a general rule of thumb for the past year that if it cost more than \$50.00, you will need to add a secondary proposal on raising the money to cover the cost of materials in the main proposal.

Manpower

Most ideas will need a few good men/women to make it happen, thus you must also supply the manpower. In the USS Freedom's past, manpower needed was usually less than ten members. Once in a while the required manpower will exceed this amount. This is when you need to supply some sort of support for the idea. Remember that the idea has not been approved at this point. You are simply looking for people who will donate their time for your idea.

Feasibility

The final question that needs to be answered is "can it be done?" What seems like a good idea often fails this question. Consider the following:

- A) Are the materials available?
- B) Is the construction sound? (i.e. will it last)
- C) Can the supply and demand be meet?
- D) Is the idea or product appealing to the members?

Procedure

1. The respective Department Read must be notified of the idea and approval must be given to do research on the idea. The DHO will in turn notify the CO or XO that an idea is being researched with their approval.
2. Before a presentation can be expected, it must be completely researched to the extent of the members ability.
3. It must then be presented to the Command Staff to work out any problems the individual member may have missed.
4. Once the final problems (if any) are worked out, the member is called in to make the final proposal to the staff.
5. The Staff is polled to see what their pro's and con's of the idea are.
6. The Command Staff will make the final decision on wither to go with the idea or not.
7. If the Command Staff decides that. the membership should have a say, it will be placed an the agenda of the next meeting for a vote.
8. If the Command Staff decides that no vote is needed, a full announcement of the implementation of the idea will be placed on the agenda of the next meeting including the assignment of any personnel.

REGULATION 400

SUPPORT CHAPTER POLICY

USS FREEDOM SUPPORT CHAPTER POLICY**Purpose**

The purpose of this regulation is to make familiar the basic regulations set forth by STARFLEET on the requirements to start a shuttle and how the USS Freedom will sponsor a said shuttle.

STARFLEET Shuttlecraft Program

In order to stimulate growth, STARFLEET has initiated and continued the successful Shuttlecraft program, a "training course" for individuals and chapters that aspire to become official chapters of STARFLEET and receive a chapter charter. Typically, new chapters of STARFLEET form for a variety of reasons; distance from a currently active chapter, specific needs of a group of members, cultural or philosophical differences, etc. When a group of members come together and decides to meet the challenge, the STARFLEET Shuttlecraft Program is designed to help those members become an active, growing, and prosperous chapter of STARFLEET.

Shuttlecraft serve as chapters-in-training under the tutelage of an already established chapter within their region (usually), called a support ship. When the following conditions have been met, the crew of a Shuttlecraft can be officially launched by their Regional Coordinator:

- The crew must consist of at least five active STARFLEET members, including the CO and XO.
- The CO and XO must have taken and passed the STARFLEET Officer Training School (OTS) exam.
- Authorization must have been received from the Department of Technical Service for the Shuttlecraft name.

With the conditions met, a complete Vessel Registration Request (VRR) form, along with copies of the OTS certificates and DTS name authorization can be sent to the Commanding Officer of the shuttle's support ship. Once approval by the support ship CO, the VRR package is forwarded to the Regional Coordinator who will review it and launch the shuttle if all is in order, forwarding the package on to Shuttle Operations Command (ShOC). Once the VRR has been completely approved by ShOC, the shuttle's launch by the RC is officially approved, with the Commanding Officer promoted to the rank of Commander and the Executive Officer promoted to Lieutenant Commander.

Shuttles perform activities and operations much like a chartered chapter (starship) of STARFLEET. Reports must be filed on a monthly basis with the support ship CO, the RC, and the Chief of Shuttle Operations Command, STARFLEET. During their time as a Shuttlecraft the crew is encouraged to begin developing operational procedures, newsletter, recruiting, and other activities normally performed by STARFLEET chapters. Within the space of a year (typically between six and nine months), the crew of the Shuttlecraft may submit another VRR form to request a chartered starship. In order to be commissioned as a starship, the following conditions must be met:

- The crew must now consist of at least ten active STARFLEET members, including the CO and XO.
- The CO and XO must have taken and passed both the Officer's Training School exam and the Officer's Command College exam.
- Authorization must have been received from the Department of Technical Services for the ship name, NCC number, and starship class and type.

When these additional conditions have been met, another completed VRR form should be sent to the

Commanding Officer of the shuttle's support ship, then to the Regional Coordinator, along with copies of all needed diplomas, name and class authorization. This form will be reviewed and, if approved, sent onto the STARFLEET Chief of Shuttle Operations Command and the Chief of Operations. If all requirements have been met, the Chief of Operations, STARFLEET will officially commission the starship and issue a charter to the crew. The new starship CO is promoted to the rank of Captain, and the XO is promoted to Commander.

00-715718

For more detailed information concerning the STARFLEET shuttlecraft program and how to become a chapter of STARFLEET, please contact either the Chief of Shuttle Operations Command, STARFLEET or the, Chief of Operations, STARFLEET (don't forget a SASE). It is advised that Proposed chapters maintain copies of all submitted material, especially the completed VRR. Also the use of cash for the above required fees is not recommended as checks or money orders provide a more substantial record of transaction.

00-36672

Sponsorship Application/Request

The procedure in which a proposed shuttle crew must follow if the USS Freedom is to become their sponsor are as follows:

The propose shuttle Commanding Officer will submit in writing a written application/request for formal sponsorship. This request will then be brought to the first immediate Command Staff meeting were the proposal will be brought forward. The Command Staff will review the application, and if all is in order, the Command Staff will vote. A majority vote will determine sponsorship.

If sponsorship is approved, then the Commanding Officer or a designated representative will call the Proposed shuttle Commanding Officer by means of telephone to let him/her know their status. Then a formal letter will be sent to the crew of the proposed shuttle welcoming them as a official shuttle of the USS Freedom.

LCARS - 29

If sponsorship is disapproved, then the Commanding Officer must contact the proposed shuttle Commanding Officer by telephone and explain why the proposed shuttle was disapproved, and. If possible, what corrections can be made for approval of sponsorship.

Sponsorship Responsibilities

It will be the responsibility of the sponsorship to see to the needs of the shuttle. This will be achieved by requiring that all Department Heads to correspond with their counter parts on the shuttle in order to help them with problems or suggestions on running a department. The sponsorship will also designate an officer as shuttle coordinator who will receive all monthly reports from the shuttle and to bring any problems or request from the shuttle to the attention of the Command Staff.

00-36835

The Commanding Officer and First Officer of the shuttle will receive one (1) copy each the USS Freedom Handbook and one (1) copy of each issue of the USS Freedom newsletter "THE LIBERTY".

00-36813

Shuttle Responsibilities

00-36238

It will be the responsibility of the sponsored shuttle to report monthly as required by the ShOC Handbook, and to supply to this command a copy of the completed Shuttle VRR, a copy of the launch certificate, and a copy of the DTS letter. The shuttle CO will also supply this command with bi-monthly copies of shuttle command positions, crew roster by position, and crew roster by SCC#s.

The shuttle CO will also insure that copies of any publications such as newsletters, fanzines, flyers and handbook be supplied to this command.

REGULATION 600 DISCIPLINARY PROCEDURES

DISCIPLINARY PROCEDURES**Grievances and Due Process**

While the main thrust of the USS Freedom has always been to uphold and espouse the philosophy of Star Trek - with tolerance, brotherhood, mutual cooperation, and compassionate justice its worthy goals. Occasionally these philosophies may be lost when interpersonal and inter-chapter relationships fail. It is the desire of the Commanding Officer that members allow any grievances to be solved at the lower levels of the chain of command. However, should members feel they have not been dealt with fairly, they may petition the Commanding Officer and ultimately present their case before the Commanding Officer.

00-70578

00-70017

Most grievances can be dealt with at the department level by one of the several officers the Commanding Officer has appointed to represent the chapter in such matters: namely the Department Head.

00-36672

Military style court martial proceedings have been replaced, as these are confrontational and counterproductive and often make matters worse. Instead, justice should be fair and compassionate, not punitive and degrading. The emphasis is placed on problem solving and not punishment. Ask the individual how they think the problem can be solved—they may surprise you. There are, however, three disciplinary actions a Department or Department Head cannot take. First, they cannot expel a member from the chapter; only the Command Staff can take such action. Second, they cannot revoke a rank either enlisted or officer—only the Commanding Officer has the power to reduce a member of the crew up to O-5. And third, no one can impose any punishment that violates civil law. The Commanding Officer WILL expel from the chapter ANY person or group responsible for transgressing this rule and will be referred to STARFLEET for possible further actions.

The highest punishment that the chapter Command Staff can exact from a crewmember is expulsion, but this should be used as a last resort and only on the truly deserving. The decision to expel a crewmember must be conveyed by written letter, and must be forwarded to the Chief of Operations, STARFLEET. The expelled member will then be removed from that chapter's roster and offered membership in another chapter, if possible.

LCARS - 29

The Commanding Officer, however, is not so naive as to believe that people are not occasionally dealt with unfairly. Therefore, all members of the chapter are reminded of their right of due process, which guarantees the right to a full investigation into any allegation; the opportunity for both sides of an issue to be fully heard before any judgment is passed; the right to be assumed innocent until proven guilty; and the right to appeal any decision up to the Command Staff, whose decision is considered final. Members may appeal any decision that they feel violates their rights as set down by the chapter and STARFLEET regulations. Members must remember that with these rights also comes the responsibility of appropriate behavior as set down in chapter membership manual, page 15, under Member's Responsibilities. One final note—the Senior Officers of the USS Freedom (DHO and up) are in no way a substitute for local, state, and federal authorities of law and order. If a crime has been committed, by all means, summon the police.

00-30035

00-30013

Chapter Command Staff Level

Members of the chapter Command Staff are considered to be the leaders of this chapter and as such are held to high standards in terms of their conduct and behavior. Article 5 of the current chapter

00-30038

Regulation 700 outlines the processes by which a member of the Command Staff can be removed from office for failing to live up to their required obligations.

Harassment and Misconduct

It is the policy of the USS Freedom that harassment or misconduct, defined as behavior by one member perpetrated upon another member that would be construed as illegal under local, county, state, provincial, federal, or international law, will not be tolerated at any time. This includes, but is not limited to, sexual harassment

05-15043

or harassment based on a member's ethnicity, religion, social or economic background, or any other legally defined category. Any chapter member, regardless of rank or position, found to be in violation of this section shall be subject to immediate discipline, and possible expulsion.

DISCIPLINARY ACTION AND POSSIBLE SANCTIONS

As a member, if you have a complaint for a criminal act committed against you by another member of the chapter that took place during a department or chapter event and you have filed a complaint with the appropriate authorities; if you have filed a complaint for violations of the Member Responsibilities listed in the chapter handbook on page 15 and is not resolved through the chain of command of your department or through your Commanding Officer; or the Command Staff has voted to cancel your chapter Membership pursuant to this regulation, the following process will apply:

1. Filing a Complaint: The Complainant Member needs to file their complaint with the Commanding Officer, USS Freedom. All supporting documentation and information should be included when filing the complaint. The Commanding Officer, USS Freedom will review the complaint and determine if it has merit and should be investigated.

For complaints under member's rights on page 15 of the chapter membership manual, if the Commanding Officer, USS Freedom finds that there is insufficient information or evidence or doesn't believe an investigation is warranted, the Commanding Officer, USS Freedom will send an E-Mail or letter to the Complainant Member advising that no investigation will be done, but give them 30 days to send in more information if they wish to make one final request for an investigation.

2. Processing the Complaint: The complaint will be sent by the Commanding Officer, USS Freedom to the chapter Inspector General to review the matter, record the parties involved, assign a number for tracking, and begin the investigation pursuant to the Inspector General, STARFLEET's Handbook. The investigation should be done as quickly as possible to ensure timeliness.

3. Reporting: After the investigation is complete, the chapter Inspector General will submit a report to the Commanding Officer, USS Freedom, chapter Command Staff, and to all Members involved in the complaint. The report will include a list of the grievances raised and sections of the chapter Rules and Regulations that are in violation, and will be sent via E-Mail or certified mail to the Accused Member who is at the address listed in the membership records.

4. Response: The Accused Member shall be given thirty (30) days to respond via E-Mail or certified mail to the chapter IG. The Accused Member has the right to request one extension of thirty (30) additional days, from the chapter IG, to prepare their response.

5. The Decision: After receipt of the Accused Member's response or expiration of the response term, the Commanding Officer, USS Freedom shall submit the Complaint and any evidence immediately to the chapter Command Staff for review and a decision. The chapter Command Staff decides by majority vote if the grievances are valid.

6. Sanctions: If the Complaint is found to be valid, the AB may apply one or more of the following sanctions:

- The Accused Member may be issued a written warning, provided to them by the chapter First Officer;
- The Accused Member may be recommended to the chapter Commanding Officer for reduction in rank;
- The Accused Member may be expelled from the chapter;
- The Accused Member may be sued in a civil proceeding or filed charges against them in a criminal court of appropriate jurisdiction;
- Any other sanction as determined by the chapter Command Staff.

02-1243

REGULATION 600**DISCIPLINARY PROCEDURES**

7. Notification: The Accused Member will be notified of the decision and the imposed sanction by E-Mail or mail by the Commanding Officer, USS Freedom or their duly appointed representative.

8. Appeal: The Accused Member has the right to appeal. The appeal must be lodged with the chapter Inspector General and the Commanding Officer, USS Freedom via E-Mail or via certified mail within thirty (30) days of the date of the E-Mail sent notifying them of the decision and sanctions or of the date of receipt of the decision letter if sent via certified mail.

In the event that the complaint is in regards to the Commanding Officer, USS Freedom, the First Officer, USS Freedom shall fulfill all of the duties where the Commanding Officer, USS Freedom is listed in the process above.

So a VIP Bodyguard has not only to guarantee for the safety of the person s/he guards, but must also be good at organizing the requests from VIPs. More than once s/he has to be diplomatic about what s/he has heard while staying in the vicinity of their VIP guests. As with brig Officers, VIP Bodyguards are specialist Security Officers, and when not serving a VIP most Bodyguards partake in normal Security duties.

02-1243

Welcome to Main Engineering of the USS Freedom. You may ask yourself, "what do Engineers do?" Well, if you have ever taken something apart to see how it works, or added a piece to an object to make it work differently then you already express similar interest as we in the Engineering Department do. We like to make models, draw technical designs, maps, and anything remotely scientific.

A diagram of the department organization and areas of responsibility for each positions are listed below.

02-1243

Welcome to the Support Services department of the USS Freedom. Support is a vital part of the ship's operations, the backbone not only of the USS Freedom, but also of the entire Fleet. The Support Services department requires extreme dedication and attention to detail, which not everyone can provide.

The Support Services Department aboard the USS Freedom is responsible for the following areas:

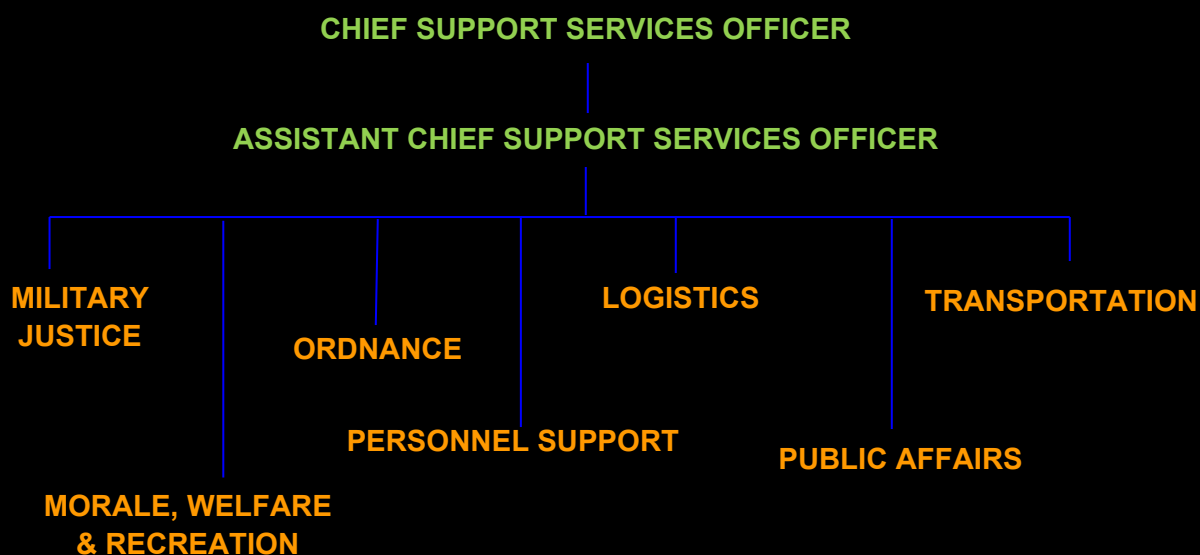

- Produce and maintain the ship's store/catalog
- Institute a supply system for Fleet/Ship merchandise
- Appoint Yeomen's to Department Heads

02-1243

Welcome to the Joint Special Operations Department aboard the USS Freedom. The department has two types of units organized under one department. These two units are the STARFLEET Marine Strike Group known as the 117th MSG and the STARFLEET Special Operations MACO unit known as the 252nd MACO. It takes hard work, dedication and commitment to become qualified members of either unit. The main differences between the two groups is really just the members preference. Most members one unit is usually a member of the other unit although that does not have to be the case. The other difference is the training. All Marines must go through certain courses at the SFMCA and the MACO's receive their training from STARFLEET Academy.

00-78578

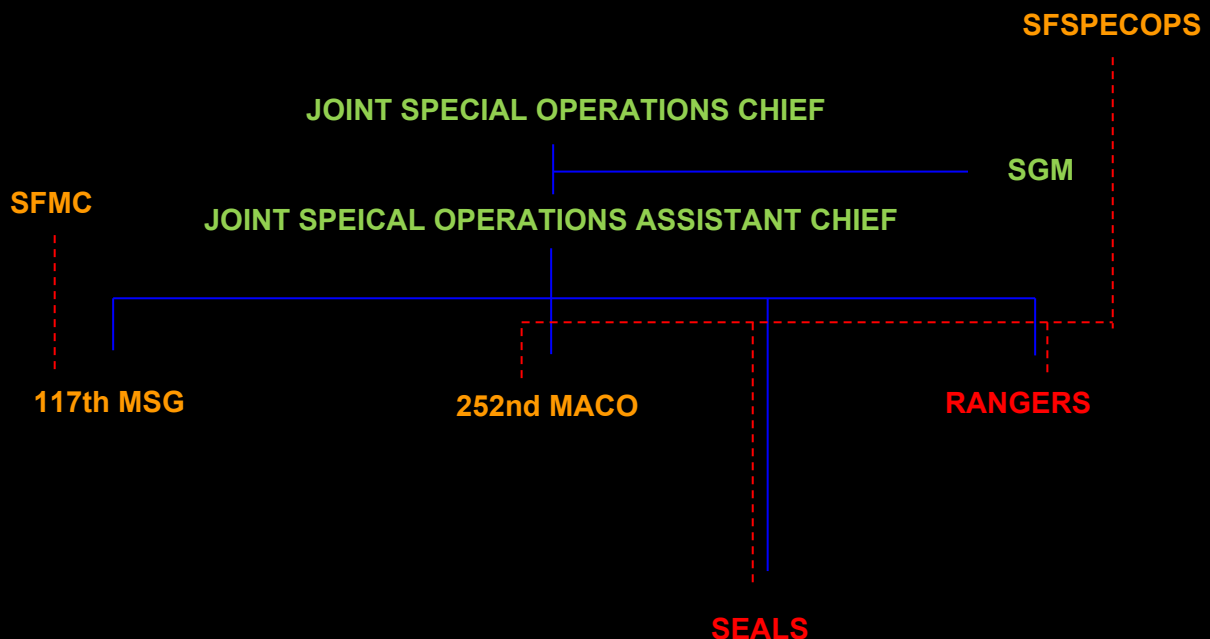

The Joint Special Operations responsibilities no matter which unit you want to primarily participate with on the USS Freedom include the following areas:

00-78317

- Star Trek convention information
- STARFLEET Elections
- REGIONAL Elections
- Convention/Summit Security
- Information about both the STARFLEET Marines and STARFLEET Special Operations
- The chapter online gaming of Star Trek Online and Modern Warfare: Black Ops II/Ghost
- Toys for Tots charity campaign

252nd MACO (RAPTORS)

The MACOs (an acronym for Military Assault Command Operations) is a military organization in service in the Federation from the 2150s through the late 24th century. The MACOs (pronounced "MAY-ko") operate in tandem with Starfleet personnel. This allows them the freedom to operate outside of the direct chain of command. Though they are afforded this freedom, on board a Starfleet ship, they accept orders from the captain and the command staff.

00-78578

00-78017

00-36672

MACOs have similar training and tactics as the special forces of a number of member nations of United Earth (the U.S. Navy SEALs, Delta Force, Army Rangers, Marine Force Recon, Special Air Service, etc.), and their rank insignia is similar to that of the US Marine Corps. Their operation aboard Starfleet vessels is comparable to that of the U.S. Marines on board U.S. Navy vessels in the 20th and 21st centuries.

Our motto is: **"Ready, Poised, Decisive"**

The MACOs responsibilities on the USS FREEDOM include the following areas:

- Star Trek convention updates
- Fleet Elections
- MACO News
- Assist with Convention/Summit/IC Security
- Combative gaming, such as Modern Ware, Halo series etc.

MACO TEAMS

The MACOs are divided into four (4) teams as follows:

LCARS - 29

Recon Team 1 Alpha (Call sign Alpha 1) – This team will be tasked with RECON Black Missions. Black operations are the missions that require direct action (DA). They are the opposite of green operations missions, where the recon teams "looks for trouble". Depending on the situation and the target location, the Recon operators usually conduct direct action missions within the artillery and naval gun support fan; since these operations demonstrate a "small-scale" shock and awe. Orchestrating close air support (CAS) is a vital skill exercised in DA missions; recon teams forward observe from static positions and spider holes for artillery and naval gunfire support, or ordnance and payload delivery.

00-36835

00-36813

00-36838

Recon Team 2 Bravo (Call sign Bravo 2) – This team will be tasked with RECON Green missions. These missions consist of deep reconnaissance operations. They pertain to the preliminary and post-assault reconnaissance (amphibious and ground reconnoitering), battle damage assessment (BDA) missions, or placing/recovering remote sensors and beacons. The main purpose of the recon operators is to collect any intelligence of military importance, observe, identify and report adversaries to RECON commanders. Silence and stealth are vital to reduce chances of mission compromise from contact with the enemy. If a single round is fired, the mission has failed.

Support Team 3 Charlie (Call sign Charlie 3) – This team will be MACOs who are tasked with MACO support activities. team is made up of Command, Intelligence, Medical, Weapons Communications and Engineering officers. The shuttle/runabout pilots are also attached to this team. These officers will brief the team on mission parameters and what to expect on each mission based on the available intelligence as well as team administrative and logistical support.

05-15403

Recon Team 4 Delta (Call sign Delta 4) – This team is made of Starfleet personnel and are usually forward

02-1243

deployed on an undisclosed out world ready to go at a moment's notice. They are moved to a different location approximately every 6 to 9 months to ensure their presence is not compromised. This team is self sustaining and capable of executing night operations or under adverse weather conditions, by using either a transporter or shuttle. In most cases, the team can be ready to rock and roll within six hours of receiving the execute order depending upon transportation. Delta Team can also launch raids (Black or Green); conduct NEO's, (Non-Combat Evacuation Operation) reinforcement operations, security operations, or humanitarian operations. It can seize spaceports or other ports, and conduct Counter Intelligence and Signal Intelligence operations.

NONFICTIONAL HISTORY OF THE USS FREEDOM

The history of the USS FREEDOM starts in October 1992 when a group of members from the USS STARWARD FURY decided that it was time to form another chapter. The group elected Lieutenant Paul Dyl as the group's leader and Commander Raymond Quinones as his assistant. After the group petitioned the USS STARWARD FURY to be their Support Ship and consequently being denied because of ill feelings between the two groups, the group petitioned the USS STAR LEAGUE from North Augusta, SC to be the Support Ship.

Vice Admiral Cindy Krell was the commanding officer of the USS STAR LEAGUE at the time. Her and her crew opened their arms to us and in October 1992 the group officially became known as the Shuttle Braxton-Bragg.

For the first nine months the chapter organized itself into a very organized and productive chapter. The Shuttle Braxton-Bragg primarily operated on Fort Bragg, North Carolina as an official club approved by the Fort Bragg Garrison Commander. During these nine months the chapter grew from the original size of 16 and grew to 32 before she was commissioned 9 months after her launch. The chapter participated in numerous events supporting such activities as the Fort Bragg Youth Program, the base recycling efforts, the Angel Tree Project, Campbell Soup Labels for Education, and numerous food drives to name just a few. Members also participated in several Star Trek Convention Security details for the Trek O' Rama conventions.

On July 4, 1993 with Vice Admiral Cindy Krell present, the Shuttle Braxton-Bragg was officially commissioned as the USS FREEDOM (NCC-71817) under the command of Captain Paul Dyl and Commander Raymond Quinones as the First Officer. The following months saw great growth and activity. The chapter conducted several camping trips, participated in the Fort Bragg Youth Services Anniversary celebration, and actress Ellen Bethea who had been a Youth Counselor at Fort Bragg was made an Honorary Member of the chapter.

02-1243

NONFICTIONAL HISTORY OF THE USS FREEDOM

In November 1993, Captain Paul Dyl was reassigned for a short tour to South Korea so the chapter conducted its first CO/XO elections with Captain Raymond Quinones being elected as the new Commanding Officer and Commander Patricia Fryer being the First Officer. This was also the time the chapter had its first shuttle called the Shuttle Lynx, commanded by Captain Paul Dyl with Commander Dawn Dyl as the First Officer. The Shuttle Lynx became a correspondence chapter and was the first chapter ever to be in South Korea.

90-78578

Under the command of Captain Quinones, the chapter moved more towards the fun aspects of the chapter. More events such as swimming activities, movies, Star Trek TV nights, camping and community service activities were planned.

00-78317

00-38672

In July 1994 the chapters first shuttle was officially commissioned as the USS LYNX and upon Captain Dyl's return from his overseas duty, Fort Bragg became home to both the USS FREEDOM and the USS LYNX.

In November 1995, the USS FREEDOM conducted its second elections for Commanding Officer and First Officer. Captain Patricia Fry was elected as the new Commanding Officer.

It was during this time that the chapter shifted further away from formal business like activities and became more of a social get together. This continued into 1996 and the situation became worse with the problems happening in STARFLEET. The chapter decided to change the class of vessel from the Galaxy Class to the Defiant Class and with the STARFLEET elections concluding, the chapter decided to leave STARFLEET and become its own independent club in January 1997. Also during this time personal struggles and turmoil spilled over into the club and within several months the chapter began to disband.

LCARS - 29

In an attempt to save the chapter, Captain Brian Allen took command of the USS FREEDOM and returned it back into STARFLEET for a few more years, but with a much smaller crew than before. In 2003, after the events of September 11, 2001 the chapter was officially decommissioned after numerous members who were military began deploying overseas and the chapter was no longer a priority at the time.

In July 2014, members of the USS HELEN PAWLOWSKI decided that the chapter was just too big and decided to take on the challenges of starting a new chapter. Some of these members had actually been crewmembers of the original USS FREEDOM. On August 24, 2014, the USS FREEDOM NX-71817 was officially launched with the STATION ROBERT DE BRUCE and Rear Admiral Barry Jackson the station commander as the USS FREEDOM's Support Chapter.

The chapter had to first complete her 9 month shakedown cruise. During this time, the chapter devoted to organization of the chapter and setting up a good foundation for the chapter to grow. The chapter participated in several community service projects such as the Angel Tree, Toys for Tots and recycling to name just a few. The chapter also held several fun/educational activities. Members of the crew participated in visits/tours of such places as the USS North Carolina, Ft. Fischer, the NC Zoo , NC Aquarium and several trips to the local beaches and lastly several cookouts during the warmer months.

On 201506.16 the USS FREEDOM NCC-71817 was officially commissioned as a full chapter of STAR-FLEET. Many of the members continue to participate in the chapter community service projects and fun activities.

Every September the chapter cosponsors a yard sale that members are asked to donate unwanted items to. The proceeds are divided up to the members who either donated or volunteered to work the sale or both to help pay for the members STARFLEET annual membership. Any funds left over goes to the chapters represented for things like unit t-shirts and patches etc.
